HESH AMLA POWDER  
100g (1X10)

The Amla fruit also known as Indian Gooseberry, comes from a small tree that grows throughout India. It is an excellent natural conditioner and nourisher for the hair. Regular use of Amla powder may help to strengthen hair roots which in turn may help to reduce hair fall. Besides Hair care, Amla powder can also be used for skin care as it is a natural astringent. For Hair care Amla powder can also be used in combination with Hesh Aritha Powder and Hesh Shikakai powder.

**HESH8A**  
HESH ARITHA POWDER  
100g  
(1X10)

Aritha is a natural cleanser. It has been used since ages for washing the hair. It acts as a natural shampoo. Besides hair care, Aritha powder can also be used for cleansing the skin. For Hair care Aritha powder can also be used in combination with Hesh Amla Powder and Hesh Shikakai powder.

**HESH8D**  
HESH SHIKAKAI  
POWDER 100g (1X10)

Shikakai means fruit for the hair. It is derived from the pos - like fruit of the Acacia Concinna tree grown in the warm dry

**HESH8B**  
HESH MULTANI MATI  
POWDER 100g  
(1X10)

It is a natural mud which can be used for skincare by applying on the face. It has to be created into paste either by mixing in plain water or with rose water. Hesh Multani mati has natural cleansing properties which helps to clean the skin. Regular use may help to make the skin soft and smooth.

Hesh Multani Mati can be used for all skin types: For Dry Skin, it should be used with milk. For normal skin, it should be used with both milk and water in equal proportions: 1:1 milk: water. For oily skin, it should be used with water. Besides Multani Mati can also be used in combination with other herbal powders like Rose Petal powder, Orange Peel Powder, Sandalwood powder to make your own face packs.

Neem Powder has been known for years in Ayurveda to have antiseptic properties. Hesh neem powder has to be mixed with water to make a paste which can be used on hair for dandruff problems. When used on skin it may help to reduce excessive oiliness.
